About the picture on the front cover of this catalog . . .

THE ARTIST must have a model in view or in mind before the picture may be painted. So it is with the production of improved livestock. The breeder who does not have in mind the goal for which he is striving will fall short of success in the production of perfect animal form. Since heads are the trade-mark for Polled Shorthorns, the model must be before us at all times. If we can produce heads consistently like the one pictured on the front cover of this catalog, we will accomplish much. It is the head of Oakwood Landmark x.

Performance —

IF YOU'RE a careful buyer, you insist on proof of PERFORMANCE before you buy. Oakwood will supply it on June 2nd! No matter where you live or how much travel is involved, you owe it to yourself to see this demonstration of PERFORMANCE.

You will see what Oakwood bloodlines have done for those who have patronized former Oakwood Sales. You will see the famous sires that are making Oakwood history today, the best ever in service in this great herd. And you may make selections from 89 lots drawn from the Oakwood Herd and the herds of Oakwood customers . . . individuals that approach perfection and backed by actual proof of PERFORMANCE. Where can you buy with greater safety?

Remember . . . more bulls of top herd heading calibre will be offered than in any other sale this year . . . and more females than ever before are carrying the service of International champions and sires of International champions.

We invite you to inspect and buy what we believe to be the greatest lot of Polled Shorthorns ever assembled for sale on one farm in one day.

OAKWOOD
STOCK
FARM —
ASHVILLE, OHIO

**THURSDAY,
JUNE 2,
1955**

Here are the people who represent Oakwood Stock Farms . . . and they are shown with three of the choice heifers that will sell in this sale. Paul Teegardin is in the rear; Carol is holding Oakwood Merry Missie 6th x (Lot 44); Paul Jr. is holding Oakwood Juliana x (Lot 12); and Clara is holding her own heifer, Oakwood Clara T x (Lot 14).

"GOOD WILL is the disposition of a satisfied customer to return to a place where he has been well treated."

—From Ruling 106, No. 81 of the
UNITED STATES SUPREME COURT

We Invite You . . .

We extend a hearty invitation to all lovers of Polled Shorthorns and horned Shorthorns to attend our Oakwood Blood Bank Sales. It will be the Sixteenth Annual Oakwood Sale. It will be the Second Customers' Sale and we propose this, too, will continue to be an annual event.

We are most appreciative of the excellent patronage we have enjoyed down through the years for Oakwood Polled Shorthorns. We maintain an interest in every herd into which an Oakwood animal goes. We watch with enthusiasm their performance. For many years we have had a desire to show our appreciation to our patrons. Out of that desire has come the Customers' Sale. It is a distinctive part of the Oakwood Blood Bank event. We want to make each consignor a real partner with Oakwood.

We want everyone to study the cattle presented by our customers. We want you to see what they have done with Oakwood bloodlines and to view the descendants of Oakwood purchases. We have seen most of the cattle being offered in the Customers' Sale. We are thrilled with them for they are the improving kind. We are proud to submit them as a part of the Oakwood sales program.

We realize that a top notch offering of Customers' cattle presents a challenge to present a "better than ever before" offering from Oakwood. That we have done and we are including a liberal percentage of animals we had planned to retain.

We hope you will arrive a day early in order to allow yourself time to inspect and study both sale offerings. We want to get acquainted with you and we want you to get acquainted with Oakwood Polled Shorthorns.

Paul D. Teegardin

THE OAKWOOD KIND

Oakwood type commands admiration; Oakwood pedigrees insure PROGRESS; and Oakwood performance spells PROFITS for those who use Oakwood blood.

WE REJOICE with all Polled Shorthorn breeders over the continuous improvement that is apparent in our breed. The track is fast and breeders must be alert to keep up with the pace of progress.

How does Oakwood keep up with progress? By a carefully planned program of mating the best with the best . . . champions with champions . . . and this sale provides the Bank from which withdrawals of Oakwood Blood may be made for the further improvement of the most useful breed in the world.

PLEASE NOTE

The Annual Spring Sale of the Ohio Polled Shorthorn Breeders' Association will be held in the 4H Club building at the Ohio State Fair Grounds in Columbus, Ohio on Friday, June 3rd, the day following our sale. We will be glad to cooperate with that organization in assembling and shipping cattle bought in both sales. Columbus is 16 miles north of Oakwood Stock Farm.

Performance that counts . . .
and that's where Oakwood Excels**

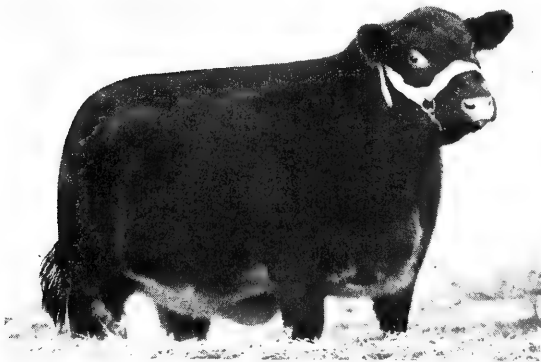

The foregoing records prove many things. They prove that the Oakwood type is the RIGHT type. The large number of top awards in the group classes prove that Oakwood Polled Shorthorns are UNIFORMLY GOOD. Most important of all, they prove that Oakwood herd bulls are at the very top of the list of the breed's all-time greatest sires. Study the pictures. The cattle displayed are of the same type and quality as the 52 animals to be sold in the 1955 Oakwood Auction Sale.

(Right) First prize junior get-of-sire at the 1952 International, sons and daughters of Oakwood Conqueror x. In 1950, 1951 and 1953, Oakwood won first prize in the get-of-sire class at the International on the sons and daughters of Commander-in-Chief x. You'll find calves by ALL of the Oakwood sires at the very top EVERY year.

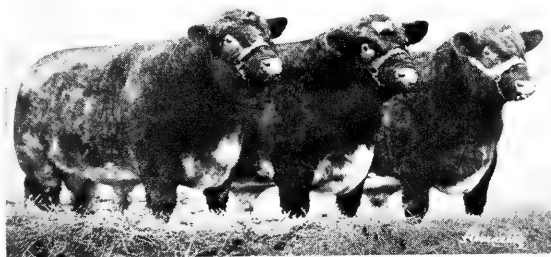

(Below) Oakwood Myrtle 4th x and Oakwood Gladness x. They won first prize for pair of females at the 1952 International. They won the same prize when shown as yearlings in 1951 and as calves in 1950. Three times in a row! It's a record for any breed.

Showmen are human. We all talk most about our current winnings because they are freshest in mind. But what runs through the mind of the man who is studying show records as a means of deciding where to buy his next herd bull? CONSISTENCY of winnings is the vital guide. Go back over the records of the International and other leading shows for THIRTY YEARS and you will find that Oakwood bloodlines are responsible for the top winners EVERY YEAR. That's why folks on several continents agree that Oakwood Polled Shorthorns are "best by any test."

First prize group of three bulls, 1952 International. Two of them 'also won first prize in class for pair of bulls.

*It may interest you
to know that . . .*

a total of 684 head of outstanding Polled Shorthorns have been sold in the fourteen Oakwood Auctions for a total of \$585,750 and a general average of \$856.35.

Were they appreciated? We believe the answer to this question is obvious. A total of 220 different breeders have bought them and most of these men have been repeat buyers.

Is the interest in Oakwood productions widespread? Study the list on pages 52 and 53! The cattle in fifteen Oakwood auctions have been scattered to 27 states, two Canadian provinces and two foreign countries. Add to these the scores of breeders who have bought at private treaty and you will agree that Oakwood productions are at work wherever good Polled Shorthorns are known and appreciated. In the fifteen Oakwood auctions 124 bulls have averaged \$1121 and 560 females have averaged 797. Oakwood Polled Shorthorns are within the price range of every breeder who is eager to work SURE improvement.

The list on pages 52 and 53 will show the widespread distribution of the cattle that have been sold through fifteen previous Oakwood auctions. We believe the list to be complete, although errors are possible. If any name has been omitted, it is purely an oversight. We are proud of this list and equally proud of scores of others who have bought privately but whose names were not available when this list was prepared. In studying this list we believe you will agree that the best judges of the breed have been Oakwood patrons. We call it . . . the "Oakwood Roll of Honor":

The Oakwood Kind

More of the Oakwood kind . . . full of quality and backed by blood that insures success. Above are shown six daughters of Commander-in-Chief x.

Performance Is The Surest Test!

Success is difficult to define in any business and especially so in the business of producing registered livestock. There are several measures . . . show ring records, sale topping performances, pedigree strength . . . all are important, yet none compare in importance to the "performance test." Breeders will continue to rise or fall in direct ratio to the performance of their productions in the hands of customers.

For many years I have hoped that some leader in the industry would prove his position as a master breeder by assembling the productions of his customers, thus providing visual evidence that the blood breeds on. The Teegardins launched such a program a year ago. It took nerve to sponsor the event but the owners of this long established herd had faith in their customers and in the seed stock they had distributed. Those who attended the Oakwood Blood Bank Sales in 1954 saw a vivid demonstration . . . Oakwood seed stock in one sale and descendants of Oakwood seed stock in the other. The lesson was convincing.

The program will be repeated this year. Again the two sales will be held in one day. Spurred on by the challenge of their customers, Oakwood has provided better cattle, both bulls and females, than ever before. Oakwood Customers, alert to the fact that this is a show window event, have supplied outstanding consignments. I have seen practically all of the cattle that will be offered in the two sales and am convinced that the 89 head to be sold on June 2nd will comprise the strongest collection of Polled Shorthorns to be offered this year . . . and one of the strongest in history.

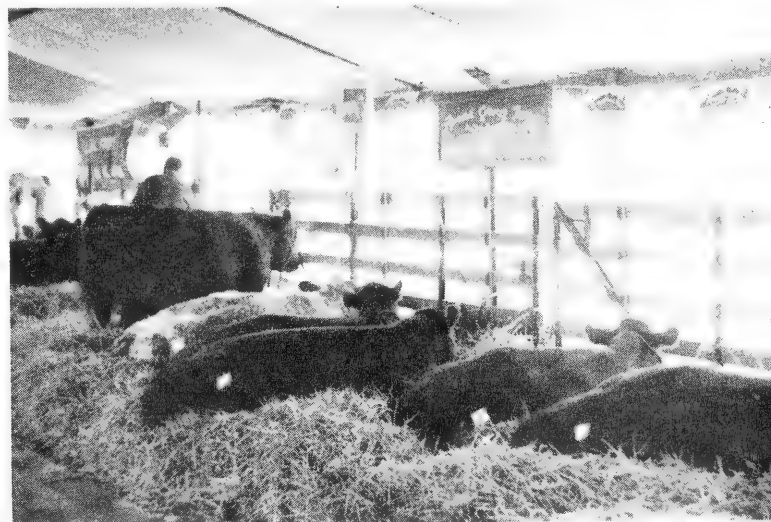

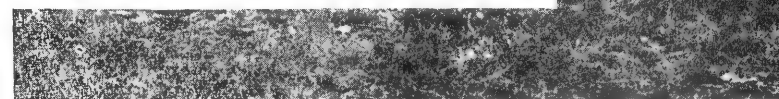

For more than a third of a century the owners of Oakwood Stock Farm have taken the champions of the greatest livestock shows as their pattern and have made use of the blood of these champions in moulding animals of superior type and quality. The 1955 Oakwood Blood Bank Sales are a wonderful testimonial to their efforts.

Yes . . . performance is the surest test! Seeing is believing! The value of Oakwood blood will be demonstrated in a most convincing manner on June 2nd. Be there and see it with your own eyes. Then shape your own course by buying liberally.

Hal Longley
of The Shorthorn World.

F. F. Johnson of Alberta and Hi Ho Farm of Maryland bought these two in the sale two years ago at \$1,000 and \$2,000, respectively.

And here is a picture of the interior of the tent where the cattle were stalled at the first Oakwood Customers' Sale a year ago. Conveniently located, clean, light and airy, guest consignors had a perfect opportunity to display the cattle and discuss their good points with prospective buyers. Henry Baum, a consignor again this year, took this picture and most of the cattle showing were his own. The heifer standing sold for \$2,000. With the four next to her, the average on this five head consignment was \$1,107.

Here's how he looked on February 18, 1953 . . . S-G Admiration x, the sensational grand champion Polled Short-horn bull of the 1952 International Live Stock Show. A few of the females in the 1955 Oakwood Sale will carry his service. His calves are outstanding. Ask those who bought females bred to him in the Oakwood Sale last year.

A champion that is siring champions . . .

The 1952 International Grand Champion

S-G ADMIRATION x was crowned the Junior and Grand Champion bull at the 1952 International, in what we considered the fastest company we have met in twenty-three invasions of that tank bark classic! He was the ninth bull we have shown to this honor and we feel that he is the "best one of all." He looks a sire—grand head, with the eye of a breeding bull. He stands on strong bone, a leg on each corner. He possesses depth and thickness of body, combined with a rear quarter that is wide and deep. He's every inch a "Breeder's Bull." Break down his pedigree. Edellyn Royal Leader 2nd and Oakwood Leader are his two grand sires. Look at the third bracket of his pedigree. The All American Favorite sire, Edellyn Royal Leader, the \$5700 Gosshall Ximenes on both sides. then Oakwood Crown Command, son of the 1941 International Grand Champion, Coronet Command. Oakwood Leading Missie was the first calf bred by Carol. We sold her in our Nov. 1950 sale with a breeding privilege to Oakwood Conqueror. We congratulate Chas. South and the late Frank Gallaher upon breeding such a worthy Champion and we take pardonable pride in having produced his dam and sire at Oakwood. We feel fortunate to have access to his service. A limited number of the 1955 sale females will sell bred to him.

And this is Oakwood Myrtle 8th x, one of the first daughters of S-G Admiration. She was reserve junior champion at the 1954 International Live Stock Show.

S-G ADMIRATION x

We congratulate South & Gallaher, Franklin, Ohio, on the splendid record they are making with this International grand champion bull. It took four generations of Oakwood breeding to produce him.

"Sire Supreme" is our title for Commander in Chief. The winnings in the strongest shows of 1950-51-52 and 53 by his calves, and these winnings are a matter of record, is evidence conclusive of his right to that title. Such a record bespeaks the potency of his blood. His son, Oakwood Predictor, the 1951 Int. Reserve Grand Champion bull, is a featured sire in this event and the calves here at Oakwood bespeak his ability as a sire. See them. They please us and they promise well.

Commander in Chief is an old bull. We do not know how much service is ahead of him. We are selling far more of his daughters than we can afford to spare. His sons and grandsons, selling, are the kind you can own with PRIDE and PROFIT.

Take a look at the show records of the past five seasons! Compare the performance of his calves with those of any other Polled Shorthorn bull! To us, it all adds up to the fact that the blood of Commander in Chief is potent blood, tested, and tried, and we are happy to SHARE IT WITH YOU on June 2nd!

Oakwood Conqueror x

Oakwood Conqueror was Grand Champion bull at the 1949 Ohio State Fair, and he was the first prize Senior Yearling bull at the International. He stood third at the American Royal, the highest rating accorded any polled bull in that National Show. He is an own son of Edellyn Leader 2nd, he is also a grandson of the All American favorite, Edellyn Royal Leader.

Through his dam, he is a grandson of the \$5700 Gosshall Ximenes, son of the Perth Supreme Champion, Coldoch Union Jack. Calrossie Sweepstakes sired a son to be crowned Perth Supreme Champion. To us, he combines the "most of the best" in Shorthorn inheritance and wears it well with a polled head. His dam is the eleventh polled female in direct descent from the J. Dean Willis bred Nonpareil Chance, by Bapton Courtier. Glen Knolls Nonpareil was the top selling mature female in the Cherry Hill Dispersion and she produced the 1946 International Reserve Champion female.

Oakwood Conqueror sired S-G Admiration, the 1952 Junior and Grand Champion bull at the International. He also sired the first prize Junior Get of Sire at the same show, the only time we showed a Junior Get by Oakwood Conqueror. We are retaining his son, Oakwood Landmark as a junior herd sire.

We are selling a limited number of his excellent daughters.

Oakwood Predictor x, 1951 International Reserve Grand Champion Bull

Oakwood Predictor started his championship winning career at the 1951 Illinois State Fair where he won his first Grand Championship. He closed his 1951 campaign at the International, where he was Reserve Grand Champion bull. In 1952 this great son of Commander-in-Chief made his first showing at the West Virginia State Fair, where he was crowned Senior and Grand Champion bull. He closed his career at the Southeastern Show, Atlanta, Ga., as Senior and Grand Champion.

He was a championship winner twelve times in the two seasons! Withall, we consider him to be of true championship calibre. He is one of the thickest bulls that we have ever owned. He is NATURALLY thick from stem to stern. He has the head of a sire, the eye of a breeding bull. His shoulders are smooth and his quarters bulging. In breeding condition, he is the same kind of a bull.

His dam is a daughter of the 1941 Int. Gr. Champion, Coronet Command. His second dam is by the 1940 Int. Gr. Champion, Oakwood Commander. His third dam is granddaughter of Oakwood Rodney, 1929 Int. Gr. Champion.

Oakwood Clara C, his first daughter to be shown, won first at the 1954 International among the senior heifer calves. She topped her class at the Ohio State Fair. She will be shown again in 1955.

We are offering a son, Oakwood Detector, and the first daughters of Oakwood Predictor in this sale. His calves please us and we are confident they will add further support to our confidence in Oakwood Predictor as a sire.

The \$10,500 Top Selling Bull of the Breed at Auction

Owned jointly by M. E. Beman & Sons and C. B. Teegardin & Sons

OAKWOOD DETERMINATION was marked for herd bull duty at Oakwood the day he was calved. He was sired by Commander in Chief and his dam, Gloster of Oakwood B, was a champion daughter of Gosshall Ximenes. That gave Determination the background we wanted in a breeding bull, for we insist on the bulls we use being from outstanding dams, as well as being sired by proven bulls. As a calf, he developed as we hoped he would and today he is the same stock bull kind. Even in his breeding condition he is a bull that looks every inch a sire. We are proud to own him in partnership with M. E. Beman & Sons. We are selling calves by him in this sale and they will speak for themselves.

Circlevue Leader is now a member of the herd bull battery at Oakwood. He is the son of Oakwood Leader we are using to carry on the blood of that great sire. He is one of the most popular bulls with cattlemen we have ever shown. His first calf sold to Princess Anne Farm, Norfolk, Virginia, in the 1954 Customers' Sale and she has developed as she promised . . . she's a top female in any company. We lost his first bull calf, dropped at Oakwood, a solid red of exceptional promise. We are mating him to a lot of our cows and he is the service sire to a few heifers selling.

His dam is an ideal breeding matron by the 1946 International reserve grand champion, Alpine Sensation. His granddam was an outstanding granddaughter of the 1936 International grand champion, Oakwood Emperor.

Take time on sale day to inspect Circlevue Leader carefully. He has the head and look of a SIRE. He has bulk and depth, near perfect hindquarter, and he is right on his legs. Deep, rugged bone, and substance. Get your hands on him. A world of natural fleshing, covered all over, and a hide to qualify. He's a balanced bull and he's ALL bull!

He was the senior champion and reserve grand champion bull at the 1954 International in the fastest show of Polled Shorthorns in the world!

OAKWOOD LANDMARK'S first son is selling. Like his sire, we have believed in Oakwood Brigadier since he was dropped. Today we feel he is the "best prospect" for a herd sire and stock bull we have ever offered. We have mated a liberal number of the best heifers to Oakwood Landmark and we are confident that these heifers can drop calves of the same pattern and promise as is shown by Oakwood Brigadier. The calves we have at Oakwood sired by Landmark are possessed of uniformity of type and kind most striking. That's why we consider him PRICELESS in our breeding program.

He is very much the SAME PATTERN as his paternal brother the 1952 International grand champion S-G Admiration. His dam is a daughter of the 100% dehorning, thick, lowset, solid red Oakwood Crown Command. His granddam was grand champion female at the 1938 International and she was one of the best females, as a brood cow, to be produced at Oakwood. There is nothing in his inheritance we would change if we could. He has it the way we want it. This All American Favorite, Edellyn Royal Leader, Gosshall Ximenes, \$5,700 son of the Perth supreme champion Col-doch Union Jack, plus the two International grand champion bulls, Coronet Command x, and Oakwood Royal King x, the Peer of Sires.

We are showing you three photos of Oakwood Landmark taken in March 1955-54-53. All the time he's been the same PATTERN! On sale day we want you to study him—his depth of body—his shortness of leg, his natural thickness from end to end. His short, strong bone. Legs on the corners. He's a bull of BALANCE. He's the bull of TOMORROW—and he's here TODAY!

LAWTON BENEFACTOR is proving to be the SIRE we had HOPED FOR. His first calves dropped at Leveldale Farm, Mason City, Illinois, where he saw his first service, are outstanding. They will be among the members of the Mathers show herd this season. A calf in the Hawthorne herd, Marshall, Virginia, is another of outstanding promise.

The calves dropped in the Willow Lee herd of Dr. O. W. House and Vernon Benroth, co-owners of Lawton Benefactor, will bear close inspection and comparison. They, too, are of uniform excellence and they will be shown this season.

We consider the solid red bull calf sired by Lawton Benefactor out of Commander in Chief's daughter, Oakwood Flora 4th, to be the most promising calf ever dropped at Oakwood. We had the misfortune to lose this calf but it is reassuring to know that Lawton Benefactor could sire that kind. Every heifer sold in the 1954 Blood Bank Sale mated to Benefactor dropped an excellent calf.

We want you to see his calves on sale day. They please us. We are CONFIDENT they will please YOU.

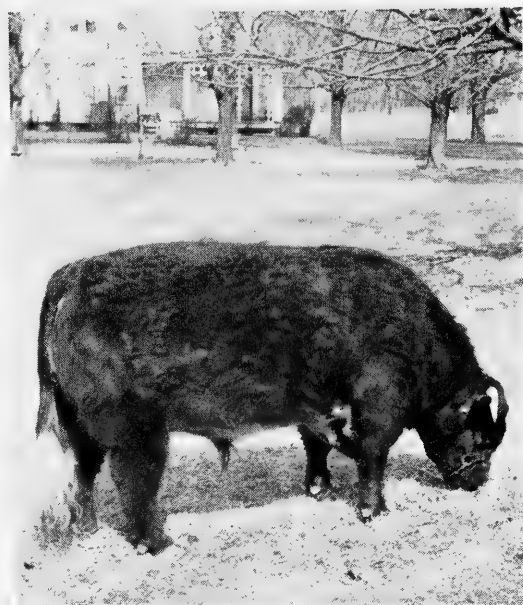

Lawton Benefactor was bred to be a sire. That was a must in our minds. He looks the part. A tabulation of his pedigree shows he is backed by the best known sires of Scotland—bulls whose achievements are known and respected—bulls that have been BREED BUILDERS.

We want you to get your eyes full of Lawton Benefactor. Look at his general stock bull makeup—his great head, the eye of a sire. His short legs, his strong sturdy bone—a perfect hind leg. Great thickness and depth of rear quarter. Note his extreme length of quarter from hook to pin bone. Span his coupling to his first rib. When have you found a bull of closer coupling? His rear flank is let down low. A grand hide over thick natural fleshing. All these things are of prime importance at Oakwood.

Lawton Benefactor's sire was solid red, thick and lowset—the same stamp. His dam is a beautiful dark roan heifer, medium in size, correct in her lines and a liberal milker. Read the comment of L. E. Mathers concerning the animals in his inheritance.

We are selling a limited number of heifers carrying the service of Lawton Benefactor. Hal Longley was so insistent that we include a calf sired by him that we are selling Elmwood Red Beauty 4th with a red heifer calf at foot and she will be remated to Benefactor.

It is MORE THAN PROBABLE that a NEW DYNASTY will be founded for BOTH Shorthorns and Polled Shorthorns by Lawton Benefactor.

An unposed, unretouched photo of Lawton Benefactor as he looks today at Oakwood showing his bone, great width, spread of ribs and grand head.

Another unposed, unretouched photo showing his shortness of legs, position of legs and perfect proportions. Yes, we like him a lot!

Where have
you seen
more bone,
more substance,
more width,
more depth,
shorter legs,
or more
perfect balance?

"Red" Ferguson (known to a few as Harvey) has been at Oakwood for 13 years. All this time there has been teamwork between Red and Paul Teegardin. His thinking and his ideas are injected into the Oakwood operations. He has had active charge of the show herd, the breeding herd and the sale offering. He knows the herd thoroughly from his years of association with the families, and herd sires used, to produce Oakwood Polled Shorthorns.

No herdsman has fitted and shown more winners than Red Ferguson has brought out for Oakwood. He will be happy to answer your questions and show you the herd anytime.

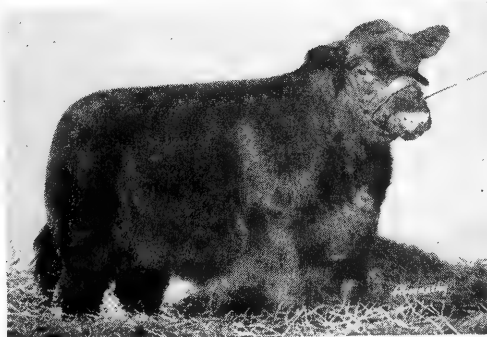

"Red" Ferguson leads a good one through the ring at the 1952 sale. The heifer in the picture is Oakwood Good Fortune 2nd x that sold for \$4,600 to Hi Ho Farms.

OAKWOOD BRIGADIER represents "the most of the best" wrapped up in one hide that we have ever offered. He carries the influence of the best bulls we have used at Oakwood in his bloodstream. His fifth dam came here as a foundation heifer in 1921. His second son, Oakwood Baron, was our first International grand champion bull in 1927.

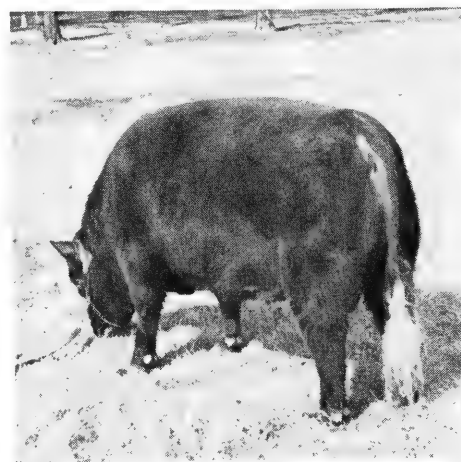

Brigadier is the first son of Oakwood Landmark. Oakwood Butterfly 8th was the first prize senior heifer calf at the Illinois, West Virginia, Ohio and Indiana State Fairs.

To portray the performance of his heritage would require a history of Oakwood breeding operations. He's steeped in Oakwood tradition.

He has a grand head and the look of a sire. He's a rich red in color. He is short of leg. He is deep bodied. He has a full deep quarter. His legs are set on each corner. His hide is mellow and he has a wealth of natural fleshing. We'd like to show him for WE'VE NEVER SOLD AS GOOD A BULL.

This is Oakwood Brigadier x, Lot 1 in this sale and perhaps the most promising bull ever offered in an Oakwood auction.

This is a snapshot of Oakwood Landmark x taken in March, 1954. Oakwood Brigadier x, his first calf to be offered, bears a marked resemblance to him.

The dam of Oakwood Brigadier x, is the fourth cow from the left. All of these beautiful heifers were bred at Oakwood and went right back into the herd to insure the consistency of performance for Oakwood Polled Shorthorns YEAR AFTER YEAR.

OAKWOOD GUARANTEE was the replica of Commander in Chief at six weeks. He was the same at a year. Today we feel he looks more like his sire than any son he has given us. He is every inch a stock bull. He has the head and eye of a sire. He has bone and ruggedness. He is uniform in his width. His shoulder is right. His tail setting level. His quarter long and full.

He represents a mating of assurance, being out of a top-notch daughter of Oakwood Leader. She could be the dam of anyone's herd bull. The second dam topped our 1942 sale and came back to Oakwood with the purchase of the Dr. Parke G. Smith herd. She's by the 1939 International grand champion Oakwood Merry King and a full sister to three of the best cows he sired.

Guarantee isn't in high condition for he's been in service. We wanted his first calves to be dropped at Oakwood. If distance doesn't prevent, we would be happy to retain an interest in him. That bespeaks our confidence in OAKWOOD GUARANTEE. A condition of our sale of this bull is that we reserve the right to use the frozen semen that we have on hand from this bull.

He's smooth headed, looks to be another 100% dehorner. He is thick from end to end. He has lots of bone and substance. His color is rich and dark.

Oakwood Lady Gloster proved to be one of the best producers among the daughters of the Peer of Sires, Oakwood Royal King. She is best known as the dam of the \$5,000 Oakwood Grand Duke, Oakwood Foremost, 1949 International winner that was exported to Australia and Oakwood Gold King. OAKWOOD FORMULA is the same kind of a bull as his sire Oakwood Conqueror was at the same age. He looks like a sire and he's bred to be just that.

His dam has been an unusual producer. Her first son, Oakwood Chief Topic, has done an exceptional job of siring good calves for J. C. Wahls, St. Olaf, Iowa. A second son is in service in the Buck Mann herd, Bartow, Florida. She also produced Oakwood Flora 3rd, the many times champion of 1952-53 that was senior and reserve grand champion at the 1953 International.

Formula's dam and his granddam are exceptionally heavy milkers. These Kalarama Floras are a family to tie to and Oakwood Formula can solve the problems of most good herds. The sires in his inheritance are your ASSURANCE he will sire them RIGHT!

OAKWOOD NOTARY looks every inch a stock bull and sire. An excellent head. A sire's head. Extreme ruggedness with lots of bone. He is thick all the way. Sappy hide, mellow and thick fleshed. He carries a double cross of Coronet Command, the 1941 International grand champion. Oakwood Predictor, his International reserve grand champion sire, Commander in Chief and Oakwood Crown Command were all 100% dehorners. We predict Notary will dehorn his calves too. His dam is a top cow. His second dam produced Oakwood Conqueror. A real prospect, from a family of the BEST!

OAKWOOD HIGH CHIEF is another red son of the Sire Supreme. His dam is a heavy milking red granddaughter of the 1941 International grand champion, Coronet Command. The second dam was one of the most consistent producers of good bulls we have had at Oakwood. A full brother heads the herd of J. M. Dountz, Orient, Ohio. Stop and see him and the calves he is siring. It will give you confidence in Oakwood High Chief. A daughter of Oakwood Helen 2nd is in the herd of Albert Robinson, Clearbrook, Virginia, known for the excellence of his cow herd. A good prospect with outcome and proven inheritance!

OAKWOOD LUCKY LEADER is a smooth headed, red son of the champion and sire of champions, Oakwood Conqueror. He looks the part of a sire. With the array of outstanding bulls in his pedigree, he cannot fail! His dam is a deep bodied, heavy milking cow and she's the result of mating two International grand champions, Oakwood Emperor and Oakwood Lavender 10th. Moreover, she's a double bred granddaughter of the Peer of Sires, Oakwood Royal King.

Lucky Leader has ample scale. He is rugged in his bone. He has a tail setting that is right. He has extreme length of hindquarter and spread too. He inherits the BEST to guarantee his PROMISE as a sire.

OAKWOOD HIGHLIGHT is a three-quarters brother to Oakwood Headliner that sired the 1955 Congress grand champion female and the winning pair of females for Bob Godwin, Brundidge, Alabama. He is a full brother to Oakwood Home Edition, first prize senior bull calf at the 1953 Ohio State Fair now heading the Mark Saunders, Lloyd, Florida, herd. Another full brother stood second at the 1952 International. A third full brother sold at \$1,500 when he was three months of age. We think Oakwood Harmony 7th's last calf . . . another bull . . . is her best one.

This bull is a thick calf, rugged and well quartered. He's been grown the hard way but he'll stay right and he'll be a sire like every other son of Oakwood Harmony 7th. He can be the "buy of the day."

OAKWOOD CONSORT is a show prospect by the champion and sire of champions, Oakwood Conqueror. He is a grandson of both Commander in Chief and Edellyn Royal Leader 2nd. Backed up by Gosshall Ximenes and the 1941 International grand champion, Coronet Command. All this on a Lady of the Meadow foundation, a family that started to make Polled Shorthorn history in 1900 for the Master Breeder, the late J. H. Miller.

This calf has a grand head. He has bone and ruggedness. He's deep and thick all the way. Level and true in his lines. A hide like you dream of and a quality hair coat.

His future is boundless. His heritage is faultless. He will appeal to the CRITICAL breeder. If you don't want to show him, we will!

OAKWOOD MANIFEST is a full brother to the 1950 International reserve grand champion bull, Oakwood Mainstay. Mainstay sired a few top calves at Oakwood before he was shipped to Australia where he has continued to sire good ones in the Kyalla Stud. Another full brother heads the Jack Luthle herd at Washburn, North Dakota. We have a full sister to these three bulls that has an outstanding show prospect at side. Looks like she'll follow in the way of Oakwood Missie 14th . . . easily one of the better brood cows at Oakwood. Manifest isn't going to be in high flesh for he's had to rustle his own way but you can be certain he will prove to be a top sire.

OAKWOOD JULIANA is something SPECIAL in Polled Shorthorn females. We call her the OPPORTUNITY of 1955, for she brings the best blood of Scotland to Polled Shorthorns. She's a grand heifer as an individual and she looks like a female of promise. Sweet headed, deep bodied, thick and loaded with quality.

We consider Juliana, granddam of Oakwood Juliana, to be one of the greatest cows to ever come to America. Her sire, Calrossie Sweepstakes, sired the dam of Edellyn Royal Leader 2nd and the Perth champion Royal Rothes. Edellyn Royal Leader 83rd sired Ohio's Leader, 1952 International grand champion steer.

We brought Willow Lee Jilt 2nd to Oakwood to establish this family here. We offer this heifer as an attraction. We trust every breeder will share our enthusiasm for her potential worth as a brood cow. We doubt if a more valuable foundation female will be offered in 1955.

QUICKSTEP GLOSTER 29TH was the grand champion female in the October 1954 Indiana breeders sale. She was outstanding that day. You'll find her the same kind on sale day.

She approaches the IDEAL in TYPE. A sweet head and front . . . great spread of top . . . deep middled . . . rugged in her bone. She is a balanced heifer.

Her sire was a bull of outstanding promise. He inherited that promise through his sire, Ringwell Prince Charles, and his dam, a granddaughter of Edellyn Royal Leader.

Lynnwood Admiral was a Congress reserve grand champion in 1944 . . . and a son of Fascinator that sired many top cattle, both at Lynnwood Farms and for the Hultines.

We need her at Oakwood and she is being offered only to back up our desire to share OUR BEST with those who attend our annual sales. She's due to calve in early October to Oakwood Landmark.

OAKWOOD CLARA T was the first prize junior heifer calf at the Ohio, West Virginia and Maryland State Fairs. She stood fourth at the International.

She fills your eye any way you look at her . . . sweet head, thick—all the way . . . deep bodied, full quartered and wide in her quarters. Smoothly turned, loaded with style and class. She's a heifer of DISTINCTION.

She's from a family of that kind. Her dam cost \$2,600 in the Hi Ho sale but she was the same kind. Her second dam was a Congress grand champion. Her third dam sold in Oakwood's 1943 sale to become a foundation cow at Cherry Hill Farm. She produced two Congress champions and a third daughter topped the 1946 Congress. The excellence of Oakwood Clara T is hers by inheritance and she'll reproduce that way. We want to show her in 1955 and will sell her with a breeding privilege. Ask to see her full brother. We will be showing him TOO.

H C MODERN AUGUSTA is just as modern as 1955. She'll be the same kind in 1960 . . . a neat package of female loveliness. Like her head? Like her great depth of middle? Her spread from front to rear? She's one of the better heifers to be sold ANYWHERE. Few of her kind are ever offered.

Modern Trend is a real top-notch sire, combining an inheritance of Gosshall Ximenes and Scotsdale Liberator.

Maxwalton Defender sired the first prize junior yearling bull at the 1954 International. Gainford Gondolier was a 100% dehorning son of Oakwood Gondolier and he left many top cows in the Hosler herd. She's a Bruce Augusta from a grand line of brood cows. She's the kind that we offer with PRIDE. You can own her with PROFIT. Selling mated to Oakwood Landmark. We'd like to show her in 1955.

STROWAN MYRTLE 2ND is a horned heifer with loose horns. Her dam has small loose horns but that wasn't the only reason we brought Elmhurst Myrtle 4th to Oakwood. She's a full sister to one of the better producing cows in the great herd at Edellyn Farms. She's a daughter of Edellyn Modern Mercury . . . recognized as one of the best sires of brood cows in America. Furthermore, she belongs to the same family as Strowan Myrtle, the cow that has produced so many champions at Oakwood.

This heifer is listed only as an attraction. We have a full sister of the same pattern and we have her dam. Both will stay at Oakwood.

Cruggleton Nyren is a bull that will be rated a top sire in the next decade. He sired the grand champion female in the 1955 Ohio Shorthorn breeders sale. Most daughters of this bull aren't being offered . . . they are the top kind.

You pick the bull you want her mated to . . . we are selling her with a breeding privilege.

ELMWOOD RED BEAUTY 4TH is listed only at the insistence of Hal Longley that we include a female with a calf sired by Lawton Benefactor. We have reasons plenty to keep this pair right here at Oakwood.

This heifer isn't going to be loaded with flesh. First, because we were planning to keep her, secondly she's a heavy milker.

She's a double bred granddaughter of Commander in Chief. Her second dam is a granddaughter of the 1939 International grand champion, Oakwood Merry King.

Her heifer calf by Lawton Benefactor is a sweet prospect and we will remate her to him. This three-in-one combination might well be the BUY of 1955!

OAKWOOD AUGUSTA CESTRIA could prove to be the most valuable female we have ever sold. We had her marked to stay here. Hal Longley, knowing we had her maternal sister, insisted we go "all out" and include her. These Augusta Cestrias aren't numerous but I've never seen one that wasn't right. Augusta Cestria 13th, by the Perth champion Millhills Ransom, was one of the best brood cows I ever knew and we are very fortunate to own two of her daughters.

Study that line of sires. Every bull a sire of note . . . every bull a champion, a son of a champion or the sire of champions. Here's the assurance that this daughter of the 1952 International grand champion, S-G Admiration can produce CHAMPIONS for YOU.

OAKWOOD AUGUSTA LADY 3RD is a red heifer of brood cow promise sired by Oakwood Predictor, 1951 International reserve grand champion bull.

Her dam has been an excellent producer, a heavy milker and as an old cow, she's still a good one. Her first calf, a bull, topped the 1945 Congress sale and was purchased to head the Gunnawara herd of Frank Simpson in New South Wales, Australia. A daughter is in the Avenel herd, Bethesda, Maryland, and another daughter is owned by Northwoods Farm, Macedonia, Ohio. We have a daughter in the Oakwood herd that is doing an excellent job.

Oakwood Augusta Lady 3rd is mated to Oakwood Landmark.

OAKWOOD ESTELLE 35TH is a rich red daughter of the Sire Supreme, Commander in Chief. We question if we have sold a more valuable Estelle in all the years. This one just looks like a brood cow. Her dam has been a consistent producer of that kind. Remember, the \$1,525 Oakwood Chief Mercury sold in our 1950 sale to Leonard Breuer of Wisconsin? Yes, and he made a great sire. Recall her full sister, Oakwood Estelle 31st, in our 1953 sale? She went to Winwood Farms, Brundidge, Alabama, at \$1,850 mated to Oakwood Landmark. I saw her calf in January, 1955, and she is one of the best prospects I've seen. That's why you can own this heifer with CONFIDENCE, if you want to breed the BEST. She's selling mated to Oakwood Landmark.

OAKWOOD GRACEFUL LADY 4TH has all the attributes of a breeding cow. She's a real heifer from any angle . . . great depth, thick and low set, with a breezy head. I don't think we ever sold a Lady of the Meadow with greater promise.

What an array of bulls! What more could you ask? Edellyn Royal Leader, Gosshall Ximenes, son of Perth champion Coldoch Union Jack. Oakwood Royal King, the Peer of Sires, and an International grand champion. Lord Collynie, twice an International grand champion. Add Edellyn Royal Leader 2nd and Oakwood Emperor, 1936 International grand champion.

Yes, this half sister to S-G Admiration has PROOF POSITIVE she should make good. She's ready to start her record of performance with a mating to Lawton Benefactor.

These same four heifers appear in the picture shown on page one of this catalog. From left to right they are: Oakwood Augusta Lady 3rd x (Lot 20), Oakwood Estelle 35th (Lot 21), Oakwood Graceful Lady 4th (Lot 22) and Oakwood Gloster 2nd x (Lot 23).

Her third dam is the cow that topped our 1942 sale and she is a full sister to Oakwood Gloster E, one of our better brood cows. Here's good breeding and a heifer to match.

She's mated to Circleview Leader, 1954 International reserve grand champion bull. When she calves, she'll make her owner a satisfied Oakwood customer!

She just cannot fail to make one of the best. She's the only daughter of Oakwood Conqueror we are selling out of a dam by the 1941 International grand champion, Coronet Command. Her second dam is the result of mating two International grand champions, Oakwood Emperor and Oakwood Lavender 10th.

Nothing but the best makes up her inheritance. There can be no LIMIT to her WORTH for she sells mated to Lawton Benefactor.

OAKWOOD CLARA 7TH is a top-notch daughter of Oakwood Predictor, 1951 International reserve grand champion bull. Look at Oakwood Clara T. Her granddam is a sister to the dam of Oakwood Clara 7th. Great family, we have always felt. Heifers like this pair encourage our confidence.

Her sisters have gone into good herds. One is at Avenel Farm, Bethesda, Maryland, another at Gunn Farms, Greenfield, Indiana. A third went to Kyalla, New South Wales, Australia, at \$2,450 and she has produced a winner for them. We consider this heifer to be one of the BEST. She has everything we'd ask of her for a breeding cow. Take time to study her and to consider what this family has done for Polled Shorthorns. Then resolve to OWN her! She's due to calve in September to the service of Lawton Benefactor. Her cost doesn't really matter, if you want to breed TOP cattle.

OAKWOOD MISSIE 27TH is a full sister to Oakwood Majesty, 1955 grand champion bull at the Congress Show and Sale. He sold at \$4,000 to Frank Johnson, Red Deer, Alberta, Canada. This heifer isn't a show prospect but she can be one of the best brood cows. She's deep middled, roomy and rugged.

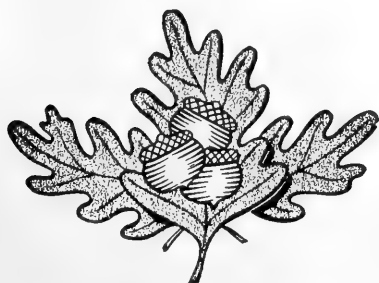

Few cows have produced as well as Oakwood Missie 12th. Remember it was her granddaughter that produced S-G Admiration, 1952 International grand champion. Thos. Piatt took her second daughter to Brookdale Farm, Belair Farms, Bowie, Maryland, now own her and she has a bull calf of sensational promise. Another daughter is in the South & Gallaher herd. Home Again Farms, Franklin, Virginia, got her next daughter and her first calf is worth driving miles to see. We have three daughters and three granddaughters at Oakwood and they are breeding true to form. What more could one ask to commend this heifer? She is due to calve in September to the service of Lawton Benefactor! Owning her kind NEVER COSTS . . . it pays. Every calf she drops will PROVE IT!

Four outstanding heifers that will sell in this sale. From left to right they are: Oakwood Lavender 28th x (Lot 24), Oakwood Clara 7th x (Lot 25), Oakwood Missie 27th x (Lot 26) and Oakwood Lancaster 3rd x (Lot 27).

OAKWOOD LANCASTER 3RD is a daughter of Oakwood Conqueror we hesitate to part with. We have two daughters of Lancaster of Zendale 16th and we propose to keep them at Oakwood. Her calves have been scattered from Canada to Florida and west to Texas . . . and each one has made a top breeding cow or an improving sire. Remember Oakwood Lancaster that Buzz Lusk of Texas bought in our 1950 sale? She's out of the same cow. L & L Farms has another daughter in Alabama and still another is at Armstrongs in Canada.

This is easily the best daughter of the old cow we have ever offered. We wouldn't want a better head, more depth, smoothness or balance in a female. Her full sister is the same kind, just red in color.

She's mated to Lawton Benefactor. That should give her UNIVERSAL APPEAL.

WAWYLO MAX ESTELLE 2ND is a red heifer of excellent type and unusual promise for a breeding cow. She has ample scale, roominess, depth and thickness. Yes, she's one that would stand fast company in the shows this season.

She's a granddaughter of two International grand champions . . . Killearn Max Juggler and Vanity Queen 2nd. She's a great granddaughter of two more International grand champions, Count Coronet and Vanity Queen. To complete her appeal, we are selling her mated to the 1952 International grand champion, S-G Admiration. That calf should be another of CHAMPIONSHIP CALIBRE!

OAKWOOD GLOSTER 3RD is one we would like to keep here at Oakwood. We have two full sisters and they are our kind of females. Oakwood Gloster E is a full sister to four of the better females we ever produced. She has a daughter in the Armstrong herd, Teeswater, Ontario, Canada; another in the Beman herd, Thurman, Ohio; a third in the Terpenning herd, Thurmont, Maryland; and a fourth daughter in the L & L herd, Dothan, Alabama. Each daughter is a top breeding cow.

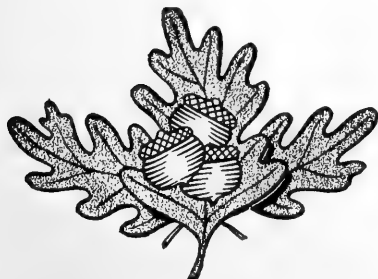

If you want to buy brood cows, we'd recommend this heifer. She's right in her breeding and she's selling mated to Lawton Benefactor. To us that makes her ALRIGHT.

Like them? Of course you do! Anyone would. They all sell in the 1955 Oakwood sale. From left to right they are: Oakwood Estelle 34th x (Lot 32), Wawyllo Max Estelle 2nd x (Lot 33), Oakwood Gloster 3rd x (Lot 34) and Oakwood Gloster O x (Lot 35).

Oakwood Domination x, purchased early in 1954 by H. D. Case, Nanjemoy, Maryland. This son of Commander-in-Chief x is out of Gloster of Oakwood B x and is a full brother to the \$10,500 Oakwood Determination x, owned by M. E. Beman & Son, Thurman, Ohio.

OAKWOOD GLOSTER O can be the buy of the day. She is in light condition and she grew up the hard way . . . but she'll make a brood cow.

Her dam has a great record of production since she came here fourteen years ago. Her best known daughter is Gloster of Oakwood B, the 1945-46 champion that produced the \$10,500 Oakwood Determination and Oakwood Domination that heads the H. D. Case herd, Nanjemoy, Maryland. Her produce and their performance would fill a book . . . each in turn has made good. Three daughters are at Oakwood. We'd like to keep this one, too. She's mated to Oakwood Landmark.

IMPERIAL AUGUSTA has everything we would look for in a brood cow . . . grand head, depth of body, ample bone, smoothness and balance. Any way you look at her, she pleases. She is the kind **seldom** found and **RARELY** offered. Remember the heifers of the same family we sold in 1950—one to Princess Anne Farm, Norfolk, Virginia, the other to Melvin Kiger, Circleville, Ohio?

She's mated to Oakwood Landmark to calve after January 1st so she can be shown this season. She's that kind of a heifer!

IMPERIAL MAYFLOWER is a brood cow prospect of promise. Sweet headed, level, balanced . . . she has quality and style combined with unusual inheritance. She's a granddaughter of Commander in Chief. She's likewise a granddaughter of the 1939 International grand champion, Oakwood Merry King. Mated to Lawton Benefactor, she should deliver a great calf. These Bruce Mayflowers are a top family. Mark her for **SERIOUS** consideration.

Where can you find more thickness or spread of ribs. All four of these will sell in the 1955 Oakwood auction. From left to right they are: Imperial Augusta x (Lot 36), Imperial Duchess Gloster x (Lot 37), Imperial Mayflower x (Lot 38) and Imperial Gwendoline (Lot 39.)

Imperial Lavender x — W. M. Camp, Jr., Franklin, Virginia, bought her in the 1954 Oakwood sale. Bred just like those pictured above.

Imperial Bessie x — She was sold for export to Australia in the 1954 Oakwood sale. The new owner is R. Ingle Browne, Highbank, Young, New South Wales.

Look at the 1954 Blood Bank catalog . . . we sold three of them. This heifer is selling mated to the 1952 International grand champion, S-G Admiration. Stop at Melvin Kiger's farm and see the herd bull prospect he has sired by Admiration out of the daughter of Oakwood Imperial Chief he purchased last year. MISSIE'S CAROLENE is one of the few heifers mated to Oakwood Conqueror. She's deep, she's thick, she's lowset and withal she looks like a brood cow prospect. These Marr Missies are right and she can found a great family in your herd. Those who attended our 1954 sale will recall the thick red heifer that went to Archwood Farms. She dropped an outstanding red bull calf sired by Oakwood Conqueror. Missie's Carolene is the same kind and her calf could solve YOUR herd bull problem.

ROYAL LEADER'S GLOSTER A is one of the thick, wide out, deep bodied kind and she has every right to her excellence. Every sire in her pedigree was not only a top bull but sired top cattle. She's a 34th branch Duchess of Gloster from a Maxwalton foundation.

She's mated to the 1954 International senior and reserve grand champion, Circleview Leader. Her calf might well be one of CHAMPIONSHIP CALIBRE!

We regret that we did not get a group picture of these seven Hansen heifers, Lots 46, 47, 48, 49, 50, 51 and 52. Weather conditions were poor and we finally had to quit taking pictures. These heifers are good brood cow prospects and will be selling in breeding flesh . . . but each is out of a top cow. Visit the Hansen herd and do your own looking. They started right and you'll find they are breeding good cattle.

SELECT CLIPPER is a rich dark red heifer that can make a good brood cow. Her twin sister is being retained by the Hansens and she's a top heifer. Daughters of the \$5,000 Oakwood Grand Duke are recognized as top brood cows wherever you find them and this heifer's dam is one of that kind.

She's mated to Circleview Leader, the 1954 International reserve grand champion bull.

H H S ROYAL HOPE is a red heifer of roominess and brood cow scale. She isn't a show heifer but she can be one of the better breeding cows. Oakwood Hope 6th did a great job of producing good ones at Cherry Hill. Her full sister, Oakwood Hope 8th is one of our better breeding cows. Oakwood Hope 2nd produced the 1940 International grand champion bull, Oakwood Commander. It's a family to tie to and her calf by Circleview Leader can write the first chapter.

COLLYNIE AUGUSTA A 3RD is a rugged heifer of scale and substance. She isn't loaded with flesh but she comes from the Augusta family that has given the Hultines many of their better cattle. Hansen's have retained a full sister and a second daughter of Collynie Augusta A is in the Henry Barsetti herd, Galt, California. Collynie Augusta A 3rd is mated to Circleview Leader, 1954 International reserve grand champion bull. A great calf should be the result.

SELECT DAFFODIL is a rich dark red heifer. She has depth of body and thickness. She comes from a family of cattle that aren't numerous in America but I don't recall ever seeing a Daffodil that wasn't a top individual. Select Fashion was one of the most promising bulls in the 1950 National Polled Shorthorn Congress. He has sired a grand lot of cattle for the Hansens. Here's a heifer backed by breeding of the BEST and she's mated to Circleview Leader, 1954 International reserve grand champion. Study this heifer and then have a good look at Circleview Leader. You'll want to own that calf.

Certainly! We put a lot of good ones back into the herd

Eight beautiful daughters of Commander-in-Chief x and Oakwood Leader x. They have gone back into the herd to insure that Oakwood Polled Shorthorns shall remain favorites the world over.

ROYFIELD'S LEADER x

1950 Polled Congress Grand Champion

Here's what two Oakwood customers did —

Roy Hopper, Fredonia, New York, purchased the heifer Oakwood Myrtle x by Oakwood Crown Command x at \$875 in the 1948 Oakwood Sale. Carrying the service of Oakwood Leader x, she gave birth to the bull Royfield's Leader x that won grand championship for Roy at the 1950 Polled Shorthorn Congress. C. Henry Baum, Jr., West Lebanon, Indiana, bought Royfield's Leader x at \$2,750. He has already sold 41 sons and daughters for a total of \$28,385. He will sell three more daughters in this sale, has put 28 daughters back in his herd, and has 32 young Royfield's Leader x calves under development now. What is the lesson? It isn't what you pay . . . it's what you get for what you pay that counts!

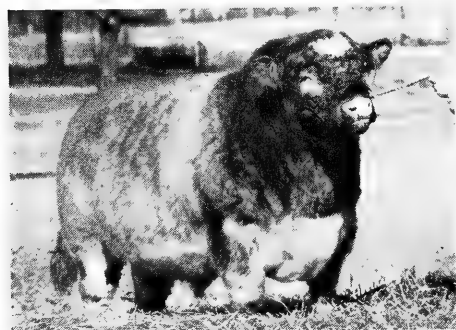

Here's what another did —

South & Gallaher, Franklin, Ohio, bought the heifer Oakwood Leading Missie x by Oakwood Leader x in the 1950 Oakwood Sale at \$700 with a breeding privilege to Oakwood Conqueror x. The great bull S & G Admiration x was born of this service and he was good enough to win grand championship at the 1952 International Live Stock Exposition. When you see the calves by him at both Oakwood and the South & Gallaher Farms, you will certainly agree that this blood breeds on. One of his first calves was reserve junior champion female at the 1954 International Live Stock Show.

S & G ADMIRATION x

1952 International Grand Champion

CIRCLE VIEW LEADER x

1954 International Reserve Grand Champion

Here's what another did —

Melvin Kiger, Circleville, Ohio, bought the heifer Oakwood Gipsy Maid 2nd x by Alpine Sensation x in the 1950 Oakwood Sale at \$910. She was carrying the service of Oakwood Leader x. The great bull Circle View Leader x was born of this mating and he was good enough to win the senior and reserve grand championship at the 1954 International. When you see his calves at both Oakwood and Circle View Farms, you will agree that this blood breeds on.

And here's what still another did —

Major H. H. Allen purchased the heifer Bonnie Butterfly 4th x in the 1951 Oakwood Sale for the famous Hi Ho Herd at Phoenix, Maryland. He paid \$2,000 to secure her but the investment paid off quickly because she went right on to win the International grand championship in 1951.

Oakwood Headliner x

And have a look at Bob Godwin's success with Oakwood blood at the Polled Shorthorn Congress!

Bob Godwin, owner of Winwood Farms, Brundidge, Alabama, had only two entries in the 1955 Polled Shorthorn Congress but they were good enough to walk off with three first prizes and the female grand championship. The pair that made this possible are pictured below after they had won first prize in the class for pair of females. Bob Godwin is shown in the rear with the grand champion ribbon in hand. Billy Anderson is holding Winwood Rosamond 2nd x (Lot 103), the grand champion female, and Howard Bell is holding Winwood Helen 2nd x, a first prize winner. Both heifers were sired by Oakwood Headliner x, an International first prize winning son of Oakwood Leader x that Bob purchased from Oakwood in the 1951 International Sale. The two heifers were purchased respectively by Creekland Farms and Avenel Farms.

Congratulations Bob Godwin
on a job well done!

Annette 19th 1971999
Roan, Robert L. Stewart

ROYFIELD'S ANNETTE 2ND x—A thick, red daughter of Oakwood Union Jock by Gosshall Ximenes. Her dam, Oakwood Annette x, is one of the best producing females in our herd. Note that her dam is a daughter of Alpine Sensation x, a bull good enough to be exported to Australia by the Teegardins. To add to her value, Royfield's Annette 2nd is due to calve July 28 to the service of Lynnwood Coronet x, a grandson of Edellyn Royal Leader 2nd and a member of the best ten head at the 1952 International. Herd T.B. and Bang's accredited.

S & G ORANGE BLOSSOM A-D x—Her picture tells the story. She is a beautiful daughter of the International grand champion S & G Admiration and is out of a daughter of Oakwood Bequest x. We would like to reserve the right to exhibit her this fall. She sells open but we have made arrangements to breed her to any bull at Oakwood Stock Farm if the buyer so desires.

The 1952 International grand champion, S G Admiration x.

PRINCESS GOODS x—This cow is offered as an attraction. She is an excellent individual and has a red heifer calf by her side sired by S & G Admiration that looks like a show prospect in every way. She is also rebred to the 1952 International grand champion S & G Admiration.

Success Story . . .

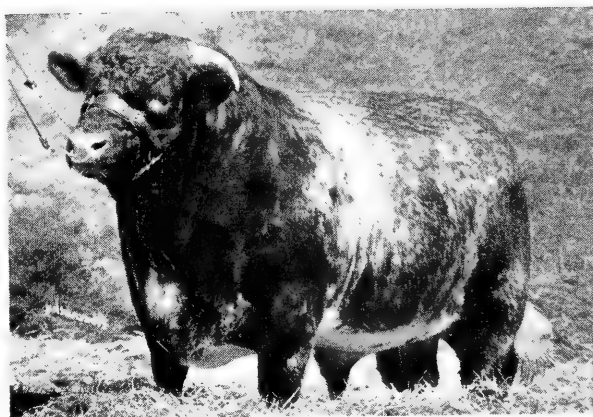

Here are the five daughters of Royfield's Leader x that Henry Baum, Jr. consigned to the 1954 Oakwood Customers' Sale. They sold for an average of \$1,107 and were purchased by breeders who know and appreciate top quality.

Best pair at the 1953 Polled Shorthorn Congress, both sired by Royfield's Leader x, grand champion bull at the 1950 Polled Shorthorn Congress. They were produced in the herd owned by C. Henry Baum, Jr., consignor to this sale.

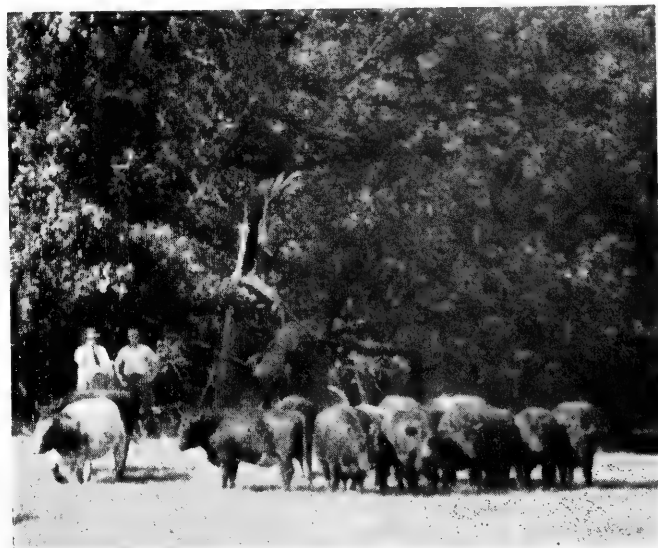

R G Royal Augusta x by Royfield's Leader x. At \$2,000 she was the top female at the 1952 International Polled Shorthorn Sale selling to Archwood Farms, The Plains, Virginia.

Leveldale Corrector, the son of the many times grand champion Leveldale Basis that was purchased by C. Henry Baum, Jr., at the second high figure of the 1954 Mathers Bros. Sale. His service will be a feature of the Round Grove consignment to the 1955 Oakwood Customers' Sale.

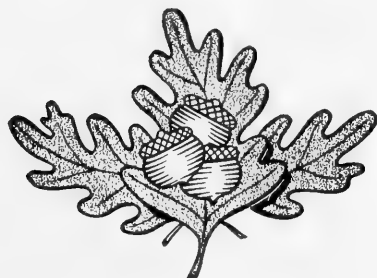

Round Grove Jenny Lind x by Royfield's Leader x, first prize heifer at the 1954 Polled Shorthorn Congress. She was bought at \$1,000 by Avenel Farms, Bethesda, Maryland.

Fred Warby, Queensland, Australia, and Emery Rasmussen, herdsman for Round Grove Farm, West Lebanon, Indiana, look over some of the good Polled Shorthorn females in the Round Grove herd.

ROUND GROVE LEADER'S ROSEWOOD 2ND x — Her full sister, reserve champion at the 1953 Indiana State Sale, is one of the splendid foundation females at Creekland Farms, holding her own with the cream of top Shorthorns and Polled Shorthorns carefully selected for this great new herd. Her pedigree includes a double infusion of three successive generations of International champions, Count Coronet x, Cherry Coronet x, and Coronet Command x that sired both Oakwood Crown Command x and Cedar Hills Command x. Bonnie Bonita 4th x, also a granddaughter of Count Coronet x, is half-sister to International champion Vanity Queen 5th x, and is of the same family as 1947 and 1950 champions. The record of Congress champion Royfield's Leader as a sire of uniformly excellent calves is well known. His Oakwood ancestry, going back to Perth champions on both sides, has always been in the spotlight. He is a 100% dehorned and is breeding on through his sons and daughters. We are offering this heifer mated to the bull of our choice for solid breed improvement, Leveldale Corrector, the son of Leveldale Basis which we purchased at the second high price in the 1954 Mathers sale. This heifer was pretested clean and Bang's vaccinated.

R G Princess Jenny 2nd x, top selling female of the 1954 Oakwood Customers' Sale. She was purchased by C. B. Teegardin & Sons, Ashville, Ohio, at \$2,000.

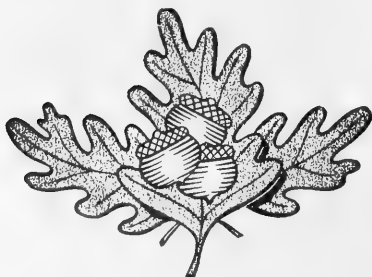

R G Princess Jenny 3rd x, another beautiful daughter of Royfield's Leader x that was the second high selling female of the 1954 Oakwood Customers' Sale. She was purchased at \$1,500 by Martin D. Schwartz, Muncie, Indiana.

R G Leader's Rosewood, reserve champion female 1953 Indiana State Sale. Sired by Royfield's Leader and bred by C. Henry Baum, Jr. Purchased at \$700 by Creekland Farms, Clinton, South Carolina.

Round Grove Mina 3rd x, a daughter of Royfield's Leader x that was purchased in the 1954 Oakwood Customers' Sale by F. C. Hankins, Teays, West Virginia, at \$850. Lot 60 is bred to her sire.

ROUND GROVE ROSEWOOD S x—Here is another good headed, smooth, thick fleshed daughter of Congress champion Royfield's Leader x, more proof that Oakwood breeding carries on. The two Perth champions and four International champions backing up the sire's pedigree look good, but his consistent record of siring excellent polled calves is worth a lot more. The heifer is from the good Rosewood family of Whitaker Bros., and the third sire on the dam's side is International reserve champion Cherry Coronet x, by Count Coronet x, International grand champion. The dam is a regular producer and a good milker, bringing in a dependable return on the investment. A calf like this every year is our idea of clipping coupons. This heifer is not vaccinated, sells open, ready to breed.

GF ROAN BESS x—Here is an exceptionally well made young cow representing today's most popular breeding, examined and safe in calf to the Congress champion, Royfield's Leader x! Note her tremendous depth of body, her smooth thickness, the character in her head, and sound underpinning. Then look at her pedigree. Her sire is a son of the \$63,000 Pittodrie Upright and half brother to Upright's Leader x, 1953 International junior and reserve grand champion, and Upright's Goods that is siring winners like LF Evergreen x for Lander Farms. The sire's dam, Browndale Bess 10th x, is a half sister to the famous Collynie Compact x. On the dam's side this family has its foundation in the reputable Herb Rose herd and this is the only Bess heifer Gunn Farms have ever been willing to part with. The calf she is carrying has everything behind it to insure a superlative production . . . the proven record of Royfield's Leader x as a sire, amply reinforced by his rich Oakwood heritage. The record of his get includes first prize winners at every Congress shown, 37 first, second or third placings out of 63 classes entered in 1954 fairs, and an average of \$692 on his 41 calves sold to date.

ROUND GROVE C JENNY LIND x—Like the Princess Jenny heifers with which we topped the Customer's Sale last year, this is the kind we hate to sell, though they do make friends for us in the hands of others. She is a great show heifer and even better foundation female. Thick and deep, as full in the heart and spring of forerib as you will find, she is an easy keeper like her dam, granddaughter of International champion Master Stamp x. Three of the last four dams in her pedigree, Lady Golden 5th x, Ceremonious Augusta x, and Tip Top Jenny Lind x are granddaughters of another International champion, Lee Dale Collynie. Her sire, Congress champion Royfield's Leader x, descended from Perth champions on both sides, is breeding on in the best tradition of the Oakwood blood bank. He himself is a 100% dehornor and this heifer is so strongly polled that she can be safely mated to a great Shorthorn bull with the expectation of getting a new standard of perfection in a polled calf. She will be sold with the service of Leveldale Corrector by Leveldale Basis, our pick of the 1954 Mathers sale for the qualities needed to improve even the best Polled Shorthorns. Pretested clean and Bang's vaccinated.

LADY OF LONE OAK x is a rich dark red heifer of depth and quality, thick and wide, low set and smoothly turned. Properly brought along, we think this summer calf could do a lot of winning in the 1955 show rings. She is out of a daughter of the great sire, Oakwood Grand Duke, and her half sister went to Bowhill Farms, Teeswater, Ontario. In purchasing her sire, Rosewood Sentinel, Carl Cross and I had to top the Ohio Shorthorn Sale at Springfield to obtain him. Calfhood vaccinated.

Oakwood Journalist x, the outstanding son of Oakwood Determination that is now owned by Harry S. Schwab, Oxford, Ohio.

Oakwood Jubilee x, a son of Commander in Chief x that is making a great record at Redman Farms. He is the sire of Lots 71 and 72.

Oakwood Lady Augusta x was purchased in the 1954 Oakwood sale at \$1,350 by Princess Anne Farms, Norfolk, Virginia. She comes from the same family as Lot 72 in this sale.

Imperial Augusta x is also from the same family at Lot 72. She was purchased in the 1954 Oakwood sale at \$1,275 by Melvin Kiger, Circleville, Ohio.

CHAPEL HILL COMMANDER x — A good doing bull of the right type, with plenty of weight-for-age. Note that he is linebred in the blood of Imp. Gosshall Ximenes. This is the richest possible breeding and the polled factor is firmly established. This could be the bull you are looking for.

CHAPEL HILL ETHEL 4TH x — Here is another one of our good Ethel heifers. She is a full sister to Chapel Hill Ethel 2nd x, purchased by Hosler & Courtright in the 1954 Oakwood Customer's Sale at \$1,000. She is also a full sister to Chapel Hill Ethel 3rd selling in the 1955 Oakwood Sale as Lot 29. Be sure to look at both of these good heifers. We can certainly recommend this family.

CHAPEL HILL RUBY A x — Out of a heavy milking and as smoothly fleshed cow as we have ever seen. We still have this heifer's dam, a full sister and a half sister in our herd and they are all the kind we like to keep. Paul W. Teegardin

Dear Sir:

Just a line to let you know how things went at the 1955 Royal Easter Show in Sydney. I took the cow Ceremonious Dorothy 5th that I bought from you in 1953 to this show and she and her bull calf by Oakwood Determination caused a lot of favorable comment, especially as a lot of the polled cattle that have come out here lately have not been up to standard.

The cow won her class and stood third in the line for senior championship. The calf, Highland Determination, won a strong class under 12 months, also the reserve junior championship.

The sales that followed were down a bit from last year, although the reserve senior champion heifer brought 3,300 guineas, an Australian record for a Shorthorn, either polled or horned.

In the bulls, 3,300 guineas was paid for a bull that stood second in class and 2,000 guineas for the senior champion. The reserve senior and reserve junior champion bulls were not offered. Several bulls sold from 750 to 1,000 guineas.

Yours truly,

R. Ingle Brown, Highbank,
Young, New South Wales, Australia

Oakwood Bequest x, a full brother to Oakwood Request x, both by Oakwood Leader x. Grand champion at the 1950 Illinois, Ohio, West Virginia and Maryland State Fairs. We lost him at a young age.

Brookdale Alma 2nd x. Archwood Farms, The Plains, Virginia, bought her in the 1954 Oakwood sale carrying the service of Oakwood Conqueror x. They now have a great herd bull prospect out of her.

Oakwood Estelle 31st x purchased at \$1,850 by Winwood Farms, Brundidge, Alabama, in the 1953 Oakwood sale. She is a full sister to Lot 21 in the 1955 sale.

Oakwood Consideration x by Commander in Chief x. Shown as he won the reserve grand championship at the 1954 Congress where he was also the top selling bull. Now owned by E. C. Moody Farms, Dothan, Alabama.

More True Stories — Melvin Kiger bought Oakwood Merry Missie 7th in the 1954 sale. It will be worth your while to visit his farm near Circleville to see the solid red bull calf she produced from her mating with Lawton Benefactor.

Bill Courtright of Hosler & Courtright bought two females in last year's sale. Both were bred to S & G Admiration x. It's worth a trip to Amanda, Ohio, to see the two calves . . . a herd bull prospect and a show heifer calf.

tificates of registry and transfer will be furnished with each lot sold. Shipment will be made as soon as possible after the close of the sale without trouble to the purchasers, but cattle will be at buyer's risk as soon as bid off. Every precaution will be taken to see that animals arrive in sound and healthy condition.

Announcements—All announcements made from the auction block on sale day will be considered final and will take precedence over matter printed in this catalog.

Terms—The terms of this sale are cash. All settlements must be made with the clerk of the sale immediately at the conclusion of the auction and before the animals are removed.

Health—Nearly all animals in this sale have been calfhood vaccinated for Bang's Disease. Scene at Ohio Polled Shorthorn Sale, Circleville, Ohio, May 26th, 1953. Cattle went to buyers in eight states.

The Most Important Three Days Of The Year For Polled Shorthorn Breeders

Plan to arrive on Wednesday, a day ahead of the sale, for a leisurely inspection of the Oakwood Herd and the 89 head of superb Polled Shorthorns that will sell in the Oakwood Blood Bank Sales.

The two Oakwood Blood Bank Sales will be held on Thursday, June 2nd, the Oakwood Sale starting at 12:00 o'clock noon and the Oakwood Customers' Sale at 4:00 p.m., Eastern Standard Time. Lunch will be served at Oakwood Stock Farm on sale day by the ladies of the church.

On Friday, June 3rd, you should plan to attend the Annual Spring Sale of the Ohio Polled Shorthorn Breeders' Association where 40 top cattle will be offered. This sale will be held in the 4-H Club Building at the Ohio State Fair Grounds in Columbus, only 20 miles from Oakwood Stock Farm. The cattle will be judged during the morning hours and sold in the afternoon. This sale is also under the management of The Shorthorn World representatives, Horace Walker and Hal Longley.

Although the pressure of work in connection with our own sale makes it impossible for Oakwood to consign, we are vitally interested in the success of the Ohio State Sale. The members of the Ohio Polled Shorthorn Breeders' Association are our closest friends and their herds are among the best in the land. No state association provides better cattle for their annual sales. We want you to be sure to attend.

Let us make hotel reservations for you covering your entire stay. Tell us how many in your party and whether you prefer a motor court or hotel.

Paul W. Teegardin

The acid test —

IT IS EASY to make mistakes in the founding of a new herd or even in the effort to improve one already established. We can think of several we have made ourselves. The pitfalls are far fewer, however, if advantage is taken of the experience of others who have had a fair measure of success. To those of you who may be contemplating the purchase of a new herd bull or a few foundation females, we suggest, first of all, that you visit the farm of some man who has previously made purchases from the same source which you contemplate patronizing. Study the calves. This is the acid test. You'll find Oakwood bred Polled Shorthorns just around the corner from most anywhere in this country. We do not hesitate to urge any prospective buyer to visit these farms. We are certain it will cause a desire to own some of the good animals in this sale.

There's a certain quality about
Oakwood Polled Shorthorns which
lifts them right out of the ordinary
